

Minutes from Feb 24th mtg

Committee Members; Colleen Haines, Dave, Zilker, Bob Schenk, Josh Duterhus, Jeanne Brown & Dale Burch

Community Members; Chloe Steffenhagen, Cheryl Keezler, Isaac Rivere, & Jessica Kelley

Meeting opened with pledge & prayer. Colleen ran the lap top with the projection capabilities, so that everyone could see the section of the Comprehensive Plan that we were discussing.

Isaac and Jessica were introduced to us by Dave Z. they are considering a liquor store in the old Yellow Goose gas station bldg.

We worked on 6.0 of the Comp Plan, transportation through 8.0 Policy Implementation. This spurred the following discussions.

There was a little discussion about Amish accidents in Arcade and Freedom. Jeanne Brown said she would speak with her Amish neighbor Pete Gingerich Re: safety for the buggies. It was mentioned that it may have to be a decision for the Amish Bishop, (Henry?), when it comes to 'slow vehicle ' signs on the buggies, and possibly more brighter lights.

It was mentioned that the town board has named Janice Fisher as the town historian.

There was discussion about possibly in the future getting sidewalks all the way around the Lake especially down Hazelmere.

MFD has 60 members with less than 10 active and 3 EMTS.

Chloe S. who is working on festivals mentioned that Machias will celebrate 200yrs in 2027. Possibly a 5K run/walk in the plan.

We then went over 6.0 Transportation through 8.0 Transportation and the changes made are in the attachment.
